Presidential Primary Election

Preparing for Election Day

VOTERS REGISTERED WITH A PARTY PREFERENCE

Voters registered with a party preference may only vote for that party's Presidential and Political Party County Central Committee candidates.

When a voter arrives at a Polling Place, the Roster Clerk will announce his or her political party listed in the Roster of Voters. The Ballot Clerk will then issue the announced (and listed) party ballot to that voter. **Only issue the ballot for the voter's listed party.**

Once a voter has received a ballot, the Ballot Clerk will direct that voter to the voting booth with a political party sign and Vote Recorder that matches the ballot's political party. **This will be the only voting booth and Vote Recorder he or she may use.**

NONPARTISAN (NPP) VOTERS

Nonpartisan voters will be abbreviated as "NPP". The abbreviation will be listed in the party column of the Roster of Voters and on other materials.

For this election, Nonpartisan (NPP) voters have the option to vote for the Presidential Candidate for the American Independent, Democratic, or Libertarian Party. **This is referred to as Crossover Voting.**

Therefore, Nonpartisan (NPP) voters have the option of choosing one of the following:

- Nonpartisan-Crossover American Independent
- Nonpartisan-Crossover Democratic
- Nonpartisan-Crossover Libertarian
- Nonpartisan Only (for voters choosing not to Crossover)

Note: *Casting a Nonpartisan-Crossover ballot will not change a voter's registration.*

Once the Roster Clerk has announced a voter's Crossover choice (or decision to not Crossover), the Ballot Clerk will issue a Nonpartisan-Crossover American Independent, Nonpartisan-Crossover Democratic, or Nonpartisan-Crossover Libertarian ballot (or Nonpartisan Only ballot if not crossing-over).

The Ballot Clerk will then direct the voter to a voting booth with a political party sign and Vote Recorder that matches the Crossover party. Voters who are issued a Nonpartisan Only ballot may use any voting booth and Vote Recorder, but will not be eligible to vote for President or Political Party County Central Committee.
